Location

Campus is situated near Veluthamanal junction, 4 km towards Sasthamkotta Side from Karunagappally Town, 30 Km from Kollam City and 2 Km from Karunagappally Railway Station.

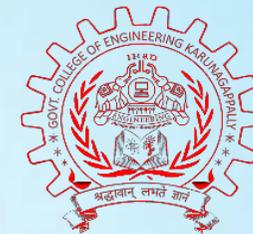

Technical Education Quality Improvement Programme (TEQIP) Phase II

3 Days Workshop on

Machine Learning through Python

23-01-2019 to 25-01-2019

Organized

By

Department of Computer Science & Engineering
(Accredited by NBA for B. Tech program)

College of Engineering
Karunagappally
Kollam, Kerala

Institution

College of Engineering Karunagappally is a premier institute of engineering that has carved a niche for itself in the field of technical education in a very short span of time. Since its inception in 2000, under the aegis of IHRD, the college has made its presence felt in the technical horizon of the state. It has been affiliated to APJ Abdul Kalam Technological University and approved by All India Council for Technical Education (AICTE). Being located in Karunagappally, Kollam district, the college has got access to all means of transport, communication and lodging facilities. Two of our B.Tech programs, Computer Science & Engg and Electronics and Communication Engg were accredited by NBA.

Department

The CSE Department offers premier professional training with an eye on the modern development in Computer Science offering 4 year B. Tech degree course in Computer Science & Engineering and 2 year M. Tech course in Computer Science with specialization in Image Processing. The department owns versatile and powerful computing facilities. The curriculum is harmonically tuned with today's hardware and software industry. It is an outstanding department recently got three year accreditation by NBA for the B. Tech computer science and engineering program.

Course Contents

This course dives into the basics of machine learning using a well-known programming language Python and also discusses deep learning from a broader perspective. Each session is a blend of theory and practical's which help the participants to get a deeper insights of machine learning trends.

- Machine Learning Algorithms using Python programming
- Deep Learning Networks - segmentation, feature extraction and classification

Registration

Registration is open to all staff members, students and research scholars of technical institutions. Registration fee of Rs.500 will be charged from the participants. The concerned fee should be remitted at the time registration. The scanned copy of filled registration form should be send by e-mail, to **fdpcse@ceknpy.ac.in** on or before **19/01/2019**. The sponsorship certificate should be produced at the time of registration. Selected candidates will be informed through mail on 20/01/2019.

Important Dates:

Registration of Applicant : 19/01/2019
 Selection Intimation : 20/01/2019
 Commencement of workshop : 23/01/2019
