		Courses, 1 seminar, 1 minor project and 1 major project. The scheme of evaluation includes both internal Assessment and university examination. The laboratory sessions and project works are continuously evaluated for awarding the Grades. The internal evaluation for the theory subjects is done with the help of two formal series examinations in each Semester, various assignments and surprise test papers. An Industrial visit in the Sixth Semester is promoted to enable them understand practical application of theoretical concepts Extra Lab and theory sessions are planned and implemented based on student performance during semesters. The institution has a media centre where video sessions on subjects by experts from premier institutes are screened, as per demand from students. Audio visual aids are thoroughly used in theory and tutorial sessions. Students are encouraged to work on community service projects alongside faculty, so as to learn implementation of technical knowledge and to be a veritable ingredient in societal development. Psychological counseling for stress management, to handle cutthroat competition and boosting of EQ (Emotional Quotient), is a vital ingredient of teaching learning process. Innovative schemes of providing reference texts from Library and digital library, for online references, cater in plenty to academic requirements.
	Examination System, Year/Sem	Semester wise examination is being conducted for entire eight semesters of the course.
	Period of Declaration of Results	Every six months
	Counseling/Monitoring	Regular sittings of Professionally qualified counsellor are arranged for student.
	Career Counseling	Periodic career counseling sections are coordinated for the Students by training and placement cell (TPC) functioning inthe campus. TPC prepares the students to face competitive examinations and interviews through intensive training programs through encompassing aptitude test, group discussions, mock interviews and basics of behavioural
