

NOTICE

The IEDC (Innovation and Entrepreneurship Development Cell) unit of CEK is organizing an awareness programme on August 27, 2016. The registration for this programme is through google forms and will close on August 25,2016. Seats are limited and confirmation mail will be sent to the selected participants. Please contact the IEDC representatives in your class for more details. Interested students are requested to register as early as possible through the following link:
